VLCS has impacted my life in many ways and I have grown, mentally, emotionally and especially spiritually. The school has helped me draw close to God, appreciate my studies and know who I am and what I want to be. **RACQUEL CICCONE, STUDENT**

Coming to this school brought me to know God and I became more independent. I made new and good friends too. I like studying at my own pace; it is easier to understand.

OUR VISION

TRANSFORMED LIVES
THROUGH A BIBLE-BASED
HOLISTIC EDUCATION

A People Prepared for the Lord

WE BELIEVE THAT YOUR CHILD IS
CREATED BY GOD IN HIS IMAGE.

WE BELIEVE YOUR CHILD CAN LEARN
AND IS GIFTED WITH UNIQUE TALENTS
AND ABILITIES.

Victory Life Christian School was founded on the call of God to partner with you and facilitate the development of your child to the fullest potential.

We are Christian and emphasize the importance of a personal relationship with Jesus Christ in all that we do.

Our school uses the Biblically-based *School of Tomorrow*®, *Accelerated Christian Education*® curriculum for Pre-elementary through High School.

CENTRE

Thank you for all the hard work your school has put in to bring about transformation in the lives of all the children in VLCS, which Sam is proud to be a part of. Thank you for all the opportunities given to groom and to nurture each precious child of God. Samantha is very blessed to have been a recipient of all that the school has given – love, encouragement and commitment. She has indeed spent her most impressionable years in the right place, at the right time. **MRS. PRISCILLA HOU, PARENT**

Today, we give all glory to God for Joshua had made it into NTU. We would like to take this opportunity to thank Mrs. Boey, the founder of VLCS for obeying the Lord in starting the school and giving our children a solid Bible-based curriculum. **MR. JEFFREY CHONG, PARENT**

This curriculum incorporates:

INDIVIDUALIZATION

Every child is able to learn at his own rate.

MASTERY LEARNING

Each child progresses only when he is academically prepared for the next step.

CHARACTER BUILDING

90 character traits with definitions and scripture are used throughout each level of the curriculum.

LEADERSHIP TRAINING

Students' and Educators' Conventions are held to present new ways to organize, develop and motivate school staff and students.

DIAGNOSTIC TESTING

A new student is given diagnostic tests to determine his educational performance level and identify and prescribe the curriculum for any learning gaps, providing a holistic perspective on education.

I was struggling with my school work and did not have time for my passion – playing the violin. My parents enrolled me in VLCS, where I could study at my own pace – and spend time practicing my violin. I have more friends here, and I am happy, motivated and encouraged in my studies. Best of all, I learn principles from God's Word and how to apply them in my life.

Our School Program also includes:

- » Team building activities
- » Regional & International Student conventions where students compete in art, music, platform, sports, and academic contests
- » Learning Support and Discipleship Programs
- » Missions & Community Work

I had been searching for a school with the following criteria in mind:

- » A school environment that is not stressful.
- » A school with a positive school culture.
- » A school with teachers who care about you.
- » A school that does not focus on academics.
- » A school where I can make good friends.

In less than three months, I thank God for bringing me to this school as it fulfilled every criteria above! I can see that God is blessing this school, and making VLCS a school that cares for and nurtures its students to achieve the best. It is a school that I am proud to be in.
