

LUKE 1:17 – “To turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.”

28 July 2020

Dear VLCS Parents,

Grace, peace and joy be multiplied to you and your family through the knowledge of God, and of Jesus our Lord, according as His divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of Him that hath called us to glory and virtue: whereby are given unto us exceeding promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust. 2 Peter 1:2-4. Since resuming school, we praise God to see and hear of the spiritual growth in the students now desiring to know God and we give thanks for the positive transformation and testimonies given at the recent Parents' Conference. May each family continue to know Him and the power of His resurrection and live victoriously through these tumultuous times, and bring in a harvest of souls out of darkness into His Kingdom of grace, truth and love!

Due to safe distancing measures, students have chapel service in their learning centers and listen to messages from Life Foundations by Carrie and Mike Pickett, The Believers Authority by Andrew Wommack as well as The Chosen series. The students' lives are impacted and we look forward to see many more grow strong in the Lord, knowing their identity in Christ. All glory to God!

We thank God for the parents of a new student who donated a temperature scanner and for all necessary measures for phase 2 that were adhered to smoothly and regularly. Most of all we thank God for His love, presence and protection according to Psalms 91.

Students are glad that PE has resumed and our supervisors are facilitating these sessions in compliance to group size. CCAs and other group events will be on hold until further notice from MOE.

We want to acknowledge and thank some parents who gave into our Heartship fund which we will steward towards students whose parents are financially challenged during this time. Our staff is also blessed with the government support grants and we thank God that He provided for families and opened doors for parents whose jobs are affected during this time. We are all blessed to be a blessing.

And thank you parents for fulfilling your financial commitment on time. Please note that the school fees for September/October are due 15 August.
