LOCAL PRIVATE SCHOOL RECEIVES INTERNATIONAL RECOGNITION

The educational challenges of the twenty-first century have motivated Victory Life Christian School to uphold their standard of excellence, maintaining their Quality Status. Quality Status is an elite status earned by schools exhibiting exceptional academic achievements and enabling their students to excel in their pursuit of life careers.

Using the individualised curriculum of School of Tomorrow® this school focuses on character training, outstanding academic accomplishments, and the spiritual growth of its students. It also demonstrates a continuing commitment to state-of-the-art, computer-enhanced education. Participation in community activities and regional and international competitions motivates students to reach their full potential.

School staff, who motivate through positive reinforcement, stimulate many students to complete well over one year's standard academic expectations.

Victory Life Christian School believes their school's achievement is attributed in part to community commitment to maintain an atmosphere where we can effectively educate our youth today for tomorrow's achievements.

Further information about Victory Life Christian School may be found in their brochure and on their website.
