

A People Prepared for the Lord

Our Mission

To go in the spirit and power of Elijah, to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just, to make ready a people prepared for the Lord. LUKE 1:17

Every Student Prepared for Good Works

Victory Life Christian School was founded on the call of God to facilitate the development of each child to his/her fullest potential using the *School of Tomorrow*[®], *Accelerated Christian Education*[®] curriculum*.

We disciple our students not to conform to this world, but to be transformed by the renewing of their minds with the Word of God, to prove God's good, perfect and acceptable will, fulfilling the Great Commission.

Students graduate at completion of the requirements of the American High School Diploma.

** This Biblically-based, pre-elementary through high school curriculum is used in more than 140 countries, and its students have been accepted in over 1,000 colleges and universities worldwide.*

VLCS has impacted my life in many ways, and I have grown mentally, emotionally, and especially spiritually. The school has helped me draw close to God, appreciate my studies, and know who I am and what I want to be.

Racquel Ciccone, student

Spiritual Preparation

- + As the Word of God is God (**JOHN 1:1**), our steps are ordered by His Word, which is His will.
- + According to His Word, we are made in His likeness and in His image to take dominion of His creation (**GENESIS 1:26-27**).
- + To seek first the Kingdom of God and His righteousness (**MATTHEW 6:33**).
- + To understand who we are in Christ, one with the Father (**JOHN 17**) and be renewed in the mind with the Word of God, not conforming to this world but transformed to prove God's good, perfect and acceptable will (**ROMANS 12:2**), until Christ be formed in us (**GALATIANS 4:19**).
- + To manifest as sons of God, and inherit the Kingdom which is righteousness, peace and joy in the Holy Ghost (**ROMANS 14:17**).
- + To be not only hearers but doers of God's Word, fulfilling the new commandment to love one another, and the great commission, preaching the gospel of the Kingdom of God, casting out devils in His name and healing the sick (**MARK 16:15-18**). Declaring His Kingdom come, His will be done in the earth as is done in heaven (**MATTHEW 6:10**). And be occupied until He comes (**LUKE 19:13**).

Transformed Lives through a Bible-based, Holistic Education

Academic Preparation

Education is not about teaching but the learning of the child.
Education is for life, not exams nor paper chase.

What we Believe

We believe that your child is created by God in His image.
We believe your child can learn and is gifted with unique talents and abilities.

Benefits of our Program

The *School of Tomorrow*[®] curriculum, along with our unique approach to education, provides a well-rounded education that incorporates:

- + **Individualized self-directed learning with diagnostic testing:** Every child learns at his own pace. A new student is given diagnostic tests in English, Maths, Reading comprehension and Word Building to determine his/her performance level and to identify any learning gaps he/she may have. Prescription of curriculum PACEs is in accordance with his/her Diagnostic Test results.
- + **Character building:** The Word of God is the foundation.
- + **Mastery learning:** Each student is trained in learning skills and time management to pursue understanding and mastery.
- + **Holistic education:** Regional and International Student Conventions are held yearly, where students commit to participate in art, music, platform, sports and academic events to the glory of God. Staff attend annual Christian Education Conferences to be inspired, refreshed and built up in their ministry to students.

Thank you for all the hard work your school has put in, to bring about transformation in the lives of all the children in VLCS, which [we are] proud to be a part of. Thank you for all the opportunities given to groom and nurture each precious child of God. [We are] very blessed to have been a recipient of all that the school has given – love, encouragement and commitment.

Mrs Priscilla Hou, parent

I get to practice Divine Healing, Mind Renewal, being a New Man in Christ, waging Spiritual Warfare for the next generation and doing Dominion Life in the Kingdom of God. These are becoming the cornerstones in my daily walk with God in school. VLCS is a healing sanctuary.

Ms Joanne Tham, staff

Training Future Leaders

On completion of the American High School Diploma, our graduates have been accepted in the following universities and colleges:

SINGAPORE

NUS National University of Singapore
NTU Nanyang Technological University
SMU Singapore Management University
SUTD Singapore University of Technology and Design
SUSS Singapore University of Social Sciences
SIT Singapore Institute of Technology
UAS University of the Arts Singapore
University of Buffalo (SIM)
University of London (SIM)
RMIT (SIM)
Curtin University, Singapore
Monash University (Kaplan)
La Trobe University (PSB)
Republic Polytechnic
Temasek Polytechnic
Nanyang Academy of Fine Arts
Management Development Institute of Singapore
NIEC National Institute of Early Childhood Education
LASALLE College of the Arts
Asia Pacific School of Sports and Business Mgt
TCA College
Asian International College
At-Sunrice Global Chef Academy
Institute of Technical Education
University of Newcastle (PSB)

USA

Accelerated College of the Bible International
Oral Roberts University
Biola University
Lee University
New York University
Columbia University
University of Kentucky
University of Alaska
University of Arizona
University of Oregon

North Seattle College
Los Angeles City College
Nichols College
Mt. San Antonio College

I can truly say that VLCS is God's school. It is where Jesus is exalted and where the Holy Spirit dwells. It is truly here to make ready "a people prepared for the Lord". My life has been transformed because of VLCS. Praise the Lord!

Timothy Kwang, student

VLCS teaches students how to learn independently. We set our daily goals and work at our own pace. We never have to conform to expectations of our academic abilities. We grow to understand ourselves and how we function best.

Lim Min, student

CANADA

Trinity Western University
Simon Fraser University
University of British Columbia
University of Manitoba
