SCHEDULE A

COURSE DETAILS

Victory Life Christian School administers the School of Tomorrow® curriculum (also known as Accelerated Christian Education® or ACE®) in accordance with ACE® prescribed procedures. Victory Life Christian School students are equipped to self-study using this curriculum, which provides biblically based, individualised, mastery learning. The Course Details below are summarised in a table (A.5) on the following page.

Terminology:	<u>Traditional School</u>	<u>School of Tomorrow®</u>
	Classroom – teacher teaching	Learning Centre – students learning
	Teacher – teaches students	Supervisor – inspires student achievement
	Teacher aide – assists teacher	Monitor – assists supervisor and students

A.1 Program

- a) Students are enrolled at Victory Life Christian School on a full-time basis for each school year, which runs for forty (40) weeks divided into four (4) terms of ten (10) weeks each, from the beginning of January to late November, with a one-month break in June and a one-week break each in March and September.
- b) As the ACE® curriculum is in individualised self-study format, students may enrol at any time throughout the school year.
- c) Victory Life Christian School generally follows Singapore public school terms and holidays.
- d) Details of the holidays for the current school year are outlined in the Calendar (Schedule F). A new Calendar (softcopy) will be issued at the beginning of each new school year. Any changes will be advised by school announcement, letter and/or email and updated on our website: www.victorylifechristianschool.com/calendar-events

A.2 Curriculum

- a) The School of Tomorrow® curriculum is developed by Accelerated Christian Education®, Inc., Hendersonville, Tennessee, USA.
- b) Each subject Level is broken down into twelve units called PACEs (Packets of Accelerated Christian Education®).
- c) Each curriculum Level equals one year's work for a typical student, thus it would take an average student twelve (12) years to complete Levels 1 through 12 (Elementary through High School). However, since students pursue the course at their own individualised pace, dependent upon their unique abilities and personal motivation, they may attain graduation in a shorter or longer time-frame. With this curriculum, time is the variable, and learning is the constant.
- d) Students learn to set their own goals on a daily, weekly, per-term and annual basis. They are also assisted to set their own targets for graduation.
- e) Students are continuously assessed through Checkups, Self Tests and PACE Tests. Mastery must be demonstrated in the PACE Test (minimum 80% passing mark) before advancing to the next PACE. There are no periodic examinations.
- f) Transcripts and/or Report Cards are issued during Parent Conferences (PC) held after each semester. Transcripts will only be given in person, not by post or email.

A.3 Delivery Structure

- a) The school is presently divided into five progressive levels of classes: Pre-Elementary (15-20 weeks program), Elementary, Middle School, Junior High, and High School.
- b) Students are assigned to their respective classes based on their age, the curriculum levels they are working on in their core subjects, and available places in each Learning Centre (see Schedule E).
- c) Each class has its own Learning Centre/s, each headed by a Supervisor (corresponding to teacher) assisted by a Monitor (corresponding to teacher aide) or co-Supervisor.
- d) The ACE[®] guideline is one Supervisor plus one Monitor per up to thirty students; Victory Life Christian School typically maintains a higher staff-to-student ratio than this.
- e) Each student is assigned his/her own "office" in their designated Learning Centre.
- f) Students are taught to self-study in the Learning Centre, with the Supervisor inspiring achievement and providing academic guidance while the Monitor looks after non-academic requests and administrative support.
- g) In essence, the curriculum PACEs are the teachers, and the students are trained by Victory Life Christian School staff to be active learners. There is minimal whole-class teaching (apart from supplementary curriculum), allowing maximal one-on-one support (on a time-shared basis) as and when required by each student.
- h) Students may also complete extra PACE work at home (according to their own goals).

A.4 Graduation

- a) Credits towards the American High School Diploma are accumulated from Level 9 onwards.
- b) One credit is earned for each unit of study (12 PACEs in one subject) completed.
- c) A maximum of three (3) non-academic credits may be counted towards graduation.
- d) In addition to the core subjects, certain electives (academic and non-academic) are required (refer to **A.5.11**).
- e) Honours and College Preparatory students should also demonstrate the ability to communicate effectively in written and oral presentations.
- f) Students graduating from Level 12 will be awarded an American High School Diploma conferred by Victory Life Christian School. Students are encouraged to pursue and complete the Honours or College Preparatory courses of study.
 - (i) **Honours** – minimum 27 credits* + 94% GPA (A) + 600 wpm Readmaster + 50wpm Typemaster
 - (ii) **College Preparatory** – minimum 25 credits* + 88% GPA (B) + 500 wpm Readmaster + 45wpm Typemaster
 - (iii) **General** – minimum 23 credits* + 80% GPA (C)

- g) Graduates will receive their Official Transcript and Diploma within one (1) month following successful completion of all graduation requirements and be publicly presented at our annual Graduation Ceremony (subject to all fees being paid up to date).
- h) A graduation fee will be charged to cover expenses including the hire of gown and mortar (refer to **C.8**).

SCHEDULE E**CORRELATION OF COURSES TO CLASSES****E.1 COURSES**

For CPE's classification purposes, our program is divided into "Courses" according to grade levels. However, due to the individualised nature of the curriculum, a student may be at different levels in different subjects and may progressively change levels on a continuum throughout the school year. Thus these "Courses" (curriculum levels) and their subsidiary "Modules" (subjects) are not conducted separately but in unison. In terms of delivery, we have divided the school into five successive "Classes", from Pre-Elementary through High School, so for practical purposes, our "Courses" are grouped by their respective "Classes".

Pre-Elementary	Corresponding Age

11. American High School Diploma – School of Tomorrow Curriculum – Grade 11	17
12. American High School Diploma – School of Tomorrow Curriculum – Grade 12	18

E.2 CLASSES

Students are assigned to their respective classes based on their age, the curriculum levels they are working at ("performance level") in their core subjects, their maturity level, and the places available in each Learning Centre. Since the curriculum is in self-study format, it allows the allocation to classes to be very fluid; consequently, this chart is only a general guide.
