

LUKE 1:17 – “To turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.”

31 March 2021

Dear Victorious Parents,

Greetings! and in Jesus' name we decree and declare: The Presence and Communion of the Holy Spirit be evident in every VLCS family. Children are obedient to parents, husbands love their wives as Christ loves the church, and wives submit to their husbands as unto the Lord. Every VLCS family is a blessing and a lighthouse of God's Presence and Truth in their communities, in Jesus' name. Amen!

Change of Academic Year and Academic Scholarship Awardees: The academic year is now changed to commence on 1 January and end on 31 December. With this change, we are now in Term 2, which began on 22 March 2021 and will end 28 May 2021.

Students who met the requirements of the academic scholarship for July to December 2020 will be awarded a pro-rated scholarship of \$250. This will be credited against their May/June school fees. Congratulations! to the following students receiving this scholarship:

Green Dot Rewards: Students are trained to set daily goals and we want to encourage them to focus on completing their goals in school and be rewarded with green dots for good management of time. Students who receive at least 3 green dots in a week will be given a treat on Fridays.

Only students who finish their goals in school will be given the privilege to do at most 5 pages of work ahead assigned by their supervisor. This training will help students to steward their time well. After school, please encourage your children to join CCAs, revise PACEs in preparation for tests, have a hobby, take short afternoon naps, read books from the library, play outdoors, take evening walks, help with household chores, prepare meals, have family devotions bonding over God's Word, and most importantly, minimize social media, Netflix or Disney and digital games to at most half an hour per school day or 2 hours on weekends.
