

LUKE 1:17 – “To turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.”

24 June 2021

Dear VLCS Parents,

Greetings in the wonderful name of our Lord and Saviour Jesus Christ! It is a joy to see students return to school on 21 June, happy and in good health. All glory to our God who charged angels over us that no plague will come near us nor our dwelling.

At our staff conference last week, we were trained by facilitators of the DHT video sessions (Divine Healing Technicians by Mr. Curry Blake of John G. Lake Ministries). We had a great time of learning and studying the Word of God concerning our sonship in Christ, the great commission, especially healing, chipping away unbelief, sacred cows and traditions of men. This is the time to stand on the Word of God, hear Him only, do His Word and be overcomers during these perilous times. As it is God’s mission for us to prepare a people ready for the Lord, we will begin training the youths in Junior High and High School, all that we had learnt from the DHT sessions. Training will be done during chapel time and this will commence from Monday, 28 June. Staff will also send the 18 video sessions and questions to all parents. Let us desire to see every Victory Life family a lighthouse of God’s love, goodness and mercy for a great harvest of souls.
