

LUKE 1:17 – “To turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.”

29 July 2021

Dear Kingdom Parents,

Greetings to all parents: righteousness, peace, and joy in the Holy Spirit. (Romans 14:17)

With the news of recent tragedies in the mainstream schools, let us all turn our hearts to the children in our nation and be reminded of the ministry of reconciliation given us, as ambassadors for Christ. (2 Corinthians 5:18-20) May we all fulfil this ministry of reconciling men to God by the power of the Holy Spirit, sharing the gospel of the Kingdom, ministering with the Word of God, and healing the sick.

We thank God for sending us the facilitators of the messages by Mr. Curry Blake of John G Lake ministries, on ‘Divine Healing Technicians’ (DHT) to prepare our staff and students for such a time as this. Please be encouraged to listen to all 18 messages and together with the students, be like the believers in Berea who searched the scriptures daily, whether those things were so. (Acts 17:11)

All glory to God for our graduates Sophia Chin who is accepted in NUS (Industrial Design) and Peyton Choo who is accepted in NTU (Environmental Earth Systems Science) 2021.
