

LUKE 1:17 – “To turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just, to make ready a people prepared for the LORD.”

1 November 2021

Dear Kingdom Parents,

Since the beginning of the Covid pandemic, the Lord faithfully kept His promise that “There shall no evil befall us, neither shall any plague come nigh our dwelling.” Psalm 91:10

In the last week of October, 2 junior students were tested positive for Covid using the ART test kits. However, we still stand on God’s Word that these 2 students were only having the common flu. According to their parents, both are fine and recovering well. School decided to do HBL for the junior students in Pre-Elementary to Middle School from 25-29 October. We adhered to the MOH protocol on contact tracing for those in the same learning centers and ensured that our premises are disinfected daily, and all safety measurements carried out. Praise the Lord, one of the students has tested negative on Friday, 29 October.

Let’s continue to think biblically and walk accordingly. We will say of the Lord, He is our refuge and our fortress: our God, in Him will we trust. Psalms 91:2. **God’s Word is louder than this world!**
