

LUKE 1:17 – “To turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.”

31 January 2023

Dear Kingdom Parents,

Greetings in the name of Jesus, our Lord! The Straits Times recently reported that MOH (Ministry of Health) compensated 413 vaccine-injured. This number does not include more than 2 million who got infected with Covid even after the vaccine, those injured but not hospitalized, and the sudden deaths (mainly cardiac arrests, especially in younger people) after receiving the vaccines. However, MOH is still sending text messages to urge and remind people to get the vaccine boosters. **Please be sober and be not deceived into receiving more booster jabs!**

Beware that in the last days, many are being conditioned and caused to end up taking the mark of the beast, mentioned in the Bible. The Bible says: “But evil men and seducers shall wax worse and worse, deceiving, and being deceived.” 2 Timothy 3:13. “And he **causeth** all, small and great, rich and poor, free and bond, to receive a mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name.” Revelation 13:16-17

The unvaxxed were already discriminated against: not allowed to buy or sell in malls, nor dine in restaurants; not allowed to travel; or even lost their jobs. “Be not overcome of evil, but overcome evil with good.” Romans 12:21. Jesus said: “Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and lo, I am with you always, even unto the end of the world. Amen.”

Let us be strong in the Lord and be prepared for such a time when believers who do not have the mark are not allowed to buy and sell. We thank God that He connected us with some brethren who see themselves as “Friends of the school” to build a herb garden, micro-aquaponic station, a 4-square edible farm model, and a mycology lab to educate students and the community in our school premises. We believe we will have a good harvest to feed the hungry and share the gospel of the Kingdom of God that Jesus came to establish.
