

LUKE 1:17 – “To turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.”

1 July 2024

Dear Kingdom parents, greetings to all.

Thank you for making every effort to attend the Parent Conference last week. Our partnership in building the students up will bear much fruit and testimonies of healed and transformed lives to the glory of God.

This year, we have had students from several schools in Hong Kong and Japan visit us, giving us the privilege to share God's love, the gospel of the Kingdom, and testimonies of God's workmanship in the lives of our students. Our students hosted them well. The foreign students were impressed with how students in our school are trained in the Word of God, in self-directed learning skills, goal setting, pursuing understanding with mastery, and enjoying learning without stress at their own pace. They enjoyed touring our Eden garden and some wished they could have such a garden in their own schools too. Staff of their schools hope to bring more students to visit us next year. We are indeed a city set on a hill that cannot be hidden! All glory to God!
