

LUKE 1:17 – “To turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.”

25 September 2025

Dear Kingdom Parents,

Greetings to you and thank you for all your prayers and financial support for students who participated at the Regional Student Convention. All VL students gave their best and most of them received top 6 placings in their events. They also displayed great sportsmanship and cheered for other students especially those who participated in the Events Of The Heart. And as always, special thanks to parents who attended, giving their time and support to encourage and cheer the students. The night rallies of awards were exhilarating and the sermons were powerful. Many youths are awakened to God's love and salvation, and His call to be followers of Jesus by surrendering their lives to the Lordship of Christ and do the greater works He said we shall do. All glory to God!

We would like to encourage more students and parents to participate in the next RSC either in the Philippines or New Zealand/Australia.
